1-Oh, sorry. I was working hard.Excuse me, sir, is everything all right? I notice you seem a little nervous.

2-I'm sorry to hear that. Don't worry, I'll do my best to help you. When was the last time you had your wallet?

3- Okay. Try to calm down and remember exactly what happened after you had your wallet in your hand. For this, we are going to fill out a form.

4- First, what is your name?

5- and what is your last name?

6- What did you eat last night?

7- Do you want me to help you?

8- So, answer.

9- I see. Well, I'll go to the information desk first. Maybe someone delivered it there. Stay here and I'll be right back (starts walking toward the information desk

10- I asked for your wallet and no one has found it.

11-Calm down, there are still options.

12-It may take a while but I'll do my best.

13- Okay, with the help of the security cameras and the form, the only thing left for me to ask is to check your backpack.
